

2016-17 Personalized Learning Woodmen-Roberts

All students will have their own iPad to use at school. We appreciate those of you that have already returned the intent to borrow or purchase your own device. We are a single platform school, this mean that the only device we use is an iPad. You have the option to have your child bring in his/her own iPad or use a school device that will be assigned to your child. If you choose to bring your own device you will be required to pay for and install all apps needed for educational purpose. If you would like the school to provide your child with the use of an iPad, there is a \$50 annual user fee. This fee is able to be paid for on Friday at the Wildcat Welcome along with this form or on Pay For It, our online fees payment site. All fees are due on Sept. 30th.

Please complete the bottom portion and return it to your classroom teacher.

Student Name: _____

Parent Name: _____
